

## Trout Unlimited Tri-State Conservation & Fishing Camp MEDICAL HISTORY FORM

This is the second part of your application to attend the Trout Unlimited Tri-State Conservation and Fishing Camp. You will need to submit separately both the Campers Information Form and this Medical History Form for your application to be complete.

**Applicant Name:** \_\_\_\_\_ **Date:** \_\_\_\_\_

This Medical History Form must be completed by a parent or guardian of the camper applying. All medical or health information that camp staff should know about your camper applicant must be reported on this form. Campers will be expected to fully participate daily in moderately challenging physical activities, including mountain hiking, wading in rocky mountain streams, and a variety of fishing outings, frequently in summer heat. Information given on this form will help keep your son or daughter safe and healthy, if they are selected to attend the camp.

**EMERGENCY CONTACT INFORMATION** – If your son or daughter is selected to attend the camp, and there is an emergency, camp staff will try to reach you by phone. In the space below, please give us emergency contact information for one or more adults:

	Name	Relationship	Phone number(s)

**PRESCRIPTION MEDICATIONS** – **ALL** prescription medications that camper, if selected, would need to take during the camp must be reported on this Medical History Form, and the medications must be turned over to the Camp Registered Nurse at check-in registration on the first day of camp. During the camp, the Camp Registered Nurse would dispense the medications to the camper as prescribed by their physician. Any camper using a prescribed medication for concentration and/or behavior at school must continue to take the medication during camp.
